## Welcome Message

Beloved in Christ,

Greetings in the precious name of our Lord and Savior Jesus Christ!

It is a joy and privilege to welcome you to the 44th Annual Conference of the Pentecostal Youth Conference of Dallas (PYCD).

As we celebrate 44 years of PYCD ministry, we look back with grateful hearts at God's faithfulness. Generations of pastors, parents, leaders, volunteers, and young people have prayed, served, and worshiped together through this ministry. What began with a burden for the next generation continues today only because God has been faithful.

Our 2026 theme, "Revive Us Again," comes from the prayer of Habakkuk:

"O Lord, revive Your work in the midst of the years!" Habakkuk 3:2

This is more than a conference theme, it is our prayer. In a world constantly competing for the hearts and attention of our young people, I am encouraged to see this generation worship, pray, seek God's Word, and use their gifts for His glory.

My prayer is that PYCD will continue to be a place where young people encounter God, discover their gifts, build lasting relationships, and prepare to serve the Church and their communities. But revival is not only for the next generation. It must begin with us.

I sincerely thank our pastors, churches, parents, youth leaders, volunteers, sponsors, supporters, and the entire PYCD 2026 team. Your prayers, sacrifices, and faithful service make this ministry possible.

As we honor those who laid the foundation before us, may we faithfully prepare the generation coming behind us.

Lord, revive us again; our hearts, our homes, our churches, and this generation.

Revive Us Again!

In His service,

# A HISTORY OF THE PENTECOSTAL YOUTH CONFERENCE OF DALLAS

**Celebrating 44 Years • 1982–2026**

The Pentecostal Youth Conference of Dallas (PYCD) celebrates its 42nd Annual Conference in 2026, giving thanks to God for 44 years of ministry, fellowship, and unity among the Malayalee Pentecostal churches of the Dallas–Fort Worth Metroplex.

## **The Beginning — 1982**

The story of PYCD began in 1982, when a few brothers in the Dallas area saw the need for a united conference where young people from the city's Malayalee Pentecostal churches could come together.

Bros. Babu George, Babu K. Iype, Jose Prakash, Toms Koruthu, Abraham Thomas, and Abraham Mathew played key roles in turning that vision into reality.

Bro. Babu George served as the conference's first Convener, while Bro. Babu K. Iype served as Coordinator.

Although some churches did not participate at first, the inaugural conference was a great success. More than 250 people attended the one-day seminar, where Dr. Ezhamkulam Samkutty served as the guest speaker.

The conference included two sessions. The morning session featured various activities presented by the participating churches. In the afternoon, Dr. Samkutty shared the message, followed by a video presentation titled Rajamma. The film told the story of a Hindu girl who struggled to become a believer in Christ. Afterward, Dr. Samkutty interacted with the audience and answered their questions.

What began as a one-day gathering would eventually grow into a year-round ministry that touched generations of young people.

## **The Early Years — 1983–1991**

Bro. Babu K. Iype served as Convener in 1983 and 1984.

In 1983, in addition to the one-day seminar, PYCD held an annual convention on Saturday and Sunday evenings in December. Dr. Joseph Padinjarakara of Canada served as the guest speaker for both the seminar and the convention.

In 1984, Dallas hosted the Second North American Malayalee Pentecostal Conference. That year, the Youth Conference programs became part of the larger conference's youth activities, with Bro. Babu K. Iype coordinating them.

In 1985, PYCD reorganized its administrative structure. A local pastor served as Convener, assisted by a Youth Coordinator, Sunday School Coordinator, and Treasurer.

From 1985 through 1991, many of the main activities were combined, although several Youth Conventions continued to be held.

### **The Annual Youth Competition — 1992**

PYCD took a major step forward in 1992 by establishing the Annual Youth Competition.

The first competition was a tremendous success. It gave young people from member churches opportunities to discover, develop, and use their God-given talents.

Since then, the Annual Youth Competition and Annual Youth Conference have become central parts of PYCD's ministry. Generations of young people have taken part, gaining biblical knowledge, confidence, friendships, and skills that many would later use in their local churches and ministries.

### **PYCD Enters the Digital Age — 1997**

In 1997, PYCD expanded its reach by launching a homepage on the Internet.

Youth Focus Publications, under the leadership of its editor, Rev. Babu K. Iype, hosted and maintained the PYCD homepage until 2003.

This was an important step in connecting the ministry and its member churches through the emerging digital world.

### **Youth Festival and Anniversary — 1999**

In 1999, PYCD introduced the Youth Festival, or Anniversary, as a celebration to conclude the year's activities.

Programs from different member churches were presented, competition trophies were distributed, and the PYCD community gathered to celebrate all that God had accomplished throughout the year.

A souvenir was also published in 1999, preserving another part of PYCD's growing history.

### **Establishing a Stronger Organizational Foundation — 2002–2003**

As PYCD continued to grow, its leaders recognized the need for a clear administrative structure to guide the organization in the years ahead.

After years of planning, discussion, and many hours of work, a comprehensive set of guidelines was completed in 2002.

Bro. Freddie George coordinated a team of pastors and brothers in developing this important document. The member churches approved the guidelines, and they took effect at the 2003 General Body.

Also in 2003, PYCD registered and began maintaining its own website under the domain PYCD.org, creating a central place for information, articles, announcements, and ministry updates.

### **Fellowship Through Sports**

As PYCD grew, sports competitions became another important part of its yearly activities.

Basketball, volleyball, and soccer were among the first sports introduced. As participation grew, badminton, flag football, women's volleyball, cricket, pickleball, and chess were added.

Sports gave young people from different member churches another way to build friendships, learn teamwork, and enjoy fellowship beyond the traditional conference and talent competition settings.

What had begun as a one-day conference was becoming a ministry with programs throughout the year.

### **Strengthening the Organization — 2008–2016**

As the ministry grew and its needs changed, PYCD continued to strengthen its organizational and administrative foundation.

In 2008, the PYCD bylaws were amended and ratified under the leadership of Bro. Bobby P. Thomas.

Another significant revision took place in 2015, when the bylaws were again amended and ratified under the leadership of Bro. Sam Mathew.

### **The following year brought another important milestone.**

In 2016, PYCD became an incorporated nonprofit organization and received recognition from the Internal Revenue Service as a tax-exempt organization under Section 501(c)(3).

These milestones reflected the continuing growth and maturity of an organization that had begun decades earlier with a simple desire to unite Pentecostal young people in the Dallas–Fort Worth area.

From its early leadership structure to the development of comprehensive guidelines, later bylaw revisions, incorporation, and federal tax-exempt recognition, each generation worked to strengthen the foundation entrusted to it and prepare PYCD for the generation that would follow.

### **An Unprecedented Pause — 2020–2022**

In March 2020, the global COVID-19 pandemic brought an unprecedented interruption to PYCD's activities.

As churches and communities faced the challenges and restrictions of the pandemic, all PYCD activities were suspended from March 2020 through February 2022.

For nearly two years, the familiar rhythm of conferences, competitions, sports, fellowship, and other activities that had brought the PYCD community together for decades came to a halt.

Yet the interruption of programs did not mean the end of the vision.

In April 2022, PYCD resumed its activities, beginning a new chapter in its history. Member churches, pastors, leaders, families, and young people were once again able to gather and continue the fellowship that had begun four decades earlier.

The COVID-19 period remains a unique chapter in PYCD's history. It reminds us that while circumstances may interrupt programs and gatherings, the purpose and vision entrusted to this fellowship can continue from one generation to the next.

### **From a Conference to a Year-Round Ministry**

Over more than four decades, PYCD has grown far beyond the gathering envisioned by its founders in 1982.

What began with a few brothers who believed that the Pentecostal young people of Dallas needed an opportunity to come together has become a year-round fellowship that brings together Malayalee Pentecostal churches throughout the Dallas–Fort Worth Metroplex.

Through conferences, talent competitions, sports, worship, fellowship, and other activities, PYCD has given generations of young people opportunities to build relationships across local church boundaries, grow in their faith, and use their talents for God's glory.

Yet PYCD's greatest accomplishment cannot be measured simply by the number of conferences, competitions, trophies, sporting events, or programs it has conducted.

### **Its greatest strength has been unity.**

For more than four decades, pastors, young people, youth leaders, parents, volunteers, and church members from different Pentecostal congregations have come together in fellowship and worship under the banner of Jesus Christ.

### **Our Vision**

The vision of PYCD is to edify, educate, and promote unity among Malayalee Pentecostal youth through programs and activities that bring glory to God, encourage spiritual growth, fulfill the Great Commission, and contribute to the continued proclamation of the Gospel until the return of our Lord and Savior Jesus Christ.

PYCD exists to support and complement the ministry of the local church, not to replace it.

Its goal is to provide opportunities for young people to know Christ,

grow in their relationship with Him, discover and develop their God-given gifts, and use those gifts for His glory.

The ministry of PYCD has never been carried out by the leadership team alone. Its strength has always come through the support and partnership of pastors, youth directors, church leaders, parents, volunteers, families, and members of the participating churches.

Their prayers, sacrifices, encouragement, and countless hours of service have allowed this ministry to continue from one generation to the next.

### **Honoring the Past, Preparing the Next Generation**

As PYCD celebrates its 42nd Annual Conference in 2026, we remember with gratitude the pioneers who saw a need in 1982 and responded in faith.

We also recognize the many leaders who followed them and the countless people who served faithfully behind the scenes. Some of their names are recorded in our history; many others may never appear in a souvenir or historical account. Even so, their prayers, sacrifices, service, and commitment have helped make PYCD what it is today.

Each generation has received something from the one before it.

The 2026 PYCD Committee represents another chapter in this continuing story. A new generation of leaders brings fresh perspectives and ideas while remaining committed to the biblical foundations, Pentecostal heritage, and spirit of unity established by those who came before them.

### **But the history of PYCD is still being written.**

The young people participating in PYCD today are the pastors, ministers, missionaries, worship leaders, Sunday School teachers, youth leaders, professionals, parents, and church leaders of tomorrow.

The future of this ministry rests with our member churches and with the young leaders being raised within them.

As we look back over more than four decades, we can testify that God has been faithful. The same God who placed a vision in the hearts of a few brothers in 1982 continues to lead PYCD today.

With gratitude for those who came before us, commitment to those we serve today, and faith for those who will come after us, may we continue building on the foundation entrusted to us.

May the story of PYCD continue with even greater testimonies of what the Lord has done and what He will yet do until the coming of our Lord and Savior Jesus Christ.

“the LORD helped us this far.” — 1 Samuel 7:12
